## JACKIE PEELE, RN, BSN, CCM

Clinical Consultant

Jackie Peele is a clinical consultant with Marsh & McLennan Agency's Planning & Analytics for Total Health (PATH) program. She joins MMA from Aetna where she supported large client benefits programs. During her time at Aetna she managed the Dedicated Care Management Team and was nominated for Aetna's coveted "CEO Award" during her first year in the consultant role as well as the "Leading the Way Award" for National Accounts. She also served on the National Business Group on Health's Evidence-based Benefit Design Committee for the past two years.

Jackie graduated from the University of North Carolina at Chapel Hill with a bachelor's degree in nursing. She then completed a Fellowship in Critical Care at Georgetown University in Washington, DC. Additionally, Jackie spent time at a Level One Trauma center, now an Accountable Care Organization, Inova Health System and has held roles as Assistant Director of the Neuroscience Intensive Care Unit at Cone Health, Director of the Progressive Coronary Care Unit at Randolph Hospital and then Carolinas Health System.

Jackie currently resides in Jamestown, North Carolina with her husband, Adam and their four daughters.
