

Jane Finch, Quality Specialist, Pfizer Global Supply

Jane has a BSc (Hons) in Applied Chemistry and has worked in Pharmaceutical Manufacturing for nearly 30 years, in various Quality and Training roles.

Jane joined Pfizer's LGBT+ network, OPEN, in 2016 as an Ally and accepted the role of European Ally work stream Lead in 2017. She represents her site on the Pfizer UK Diversity & Inclusion steering group, IDUK; is a member of the cross-pharma group Proud Science Alliance; is an Inclusive Culture facilitator for Pfizer and a volunteer for HBA London. She regularly delivers education sessions for Allies and leads teams of OPEN members in creating Ally events.

Jane believes everyone should be able to bring their whole self to work and is committed to increasing understanding of the difference effective Allies can make in driving inclusion.
