

Dr. Susan M. Snodgrass, MD, BPharm, is a dedicated healthcare professional with a passion for advancing diversity and inclusion within the industry. She has been an active member of the Healthcare Businesswomen's Association (HBA) for over 10 years, contributing significantly to its mission of promoting gender equality and empowering women in healthcare.

Dr. Snodgrass has served in numerous volunteer roles with the HBA, including mentor, President of the West Chester, PA chapter, and Liaison for the Women in Science affinity group. Her leadership and commitment to fostering an inclusive community have been instrumental in shaping the HBA's regional impact. Currently, she is the Chair of the Mid-Atlantic Regional Council, which earned the prestigious 2024 Regional Excellence Award under her guidance. Her dedication to leadership and service was further recognized with a Regional Legacy Award from

With a strong background in both medicine and pharmacy, she brings a unique perspective to her work, constantly advocating for the advancement of women in science and leadership positions. Dr. Snodgrass continues to inspire and mentor the next generation of healthcare leaders, striving to create an environment where diversity is celebrated, and inclusion is a core value.
