## India's Premier Healthcare Industry Event for Advancing Inclusive, Innovative, Future-Ready Leadership

The HBA India Leadership Summit (ILS) is India's flagship gathering of healthcare and life science industry leaders, innovators, and rising professionals committed to shaping the future of leadership in the business of healthcare. This two-day, high-impact event delivers transformational leadership development, global insights, and unparalleled networking across the healthcare and life sciences industry.

Now in its second year, the Summit builds on the momentum of its sold-out 2024 debut, where 20+ global healthcare organizations came together to accelerate talent development and advance representative leadership. The India Leadership Summit is a business catalyst, leadership pipeline builder, and strategic convening where influence meets purpose.

What do you do  
to stay in a  
positive state  
of mind?

# *Claim Your Seat at the Table* **Empower. Collaborate. Innovate**

In today's dynamic healthcare environment, leadership is not about climbing a ladder and waiting for a title. It's about stepping forward, creating meaningful impact, and building a more inclusive, innovative future.

This year's theme focuses on:

- Removing barriers to leadership and advancement
- Fostering inclusive workplace cultures that drive innovation and representative of the patient population
- Strengthening outcomes for patients, organizations, and the healthcare industry at large
