***Senior Vice President, Chief
Legal Officer-Ironwood
Pharmaceuticals, Inc.***

HALLEY GILBERT, ESQ.
Senior Vice President & Chief Legal Officer
Ironwood Pharmaceuticals, Inc.

Halley Gilbert joined Ironwood in 2008 as the founding member of its legal department, establishing the company's legal and compliance functions as Ironwood grew from a privately-held, research-based organization to a publicly-traded, fully-integrated commercial biotechnology company. Ms. Gilbert is one of four Section 16 Officers at Ironwood, and serves on the company's strategic investments and operating committees. Ms. Gilbert has two decades of experience navigating biopharmaceutical companies through transformational change, as well as expertise in corporate development, corporate governance, and the operational and legal issues relevant to launching new medicines into specialty and primary care markets. Prior to joining Ironwood, Halley was Vice President, Deputy General Counsel at Cubist Pharmaceuticals, Inc. from 2002 to 2008, where she supported the launch of Cubist's first acute care antibiotic, and she served as Corporate Counsel at Genzyme Corp. from 1999 to 2001. Halley began her career at Skadden, Arps, Slate, Meagher & Flom LLP, where she specialized in mergers and acquisitions and securities law.

Ms. Gilbert serves on the board of directors of Achaogen, Inc., a publicly-traded clinical-stage biopharmaceutical company focused on the development of novel antibacterials, and is a member of Achaogen's Audit, Nominating & Governance, and Transaction Committees. Ms. Gilbert also serves on the boards of directors of Allergy Amulet, Inc., a venture capital backed allergy device company, Greater Boston Legal Services, a not-for-profit that provides free legal services to Boston residents in need, and is on the Advisory Board of Life Science Cares, a not-for-profit focused on eliminating the impact of poverty on the Greater Boston community. Ms. Gilbert is also the Chair of the General Counsel Committee of BIO, a trade organization that represents the biotechnology industry. Ms. Gilbert holds a J.D. from Northwestern University School of Law and a B.A. from Tufts University.
