

Andréa Girardot

Name	Andréa Girardot
Position Title	Vice President Global Customer Services International
Company	BD
Location	Paris, France

Andréa joined BD in November of 2014 as Vice President, Global Customer Services International. Andréa's primary goal in this role is to lead the MMS Service organization outside of the Americas providing implementation and support to healthcare customers.

Prior BD, Andréa worked at Haemonetics as Director of Technical Services Europe & Distribution, managing Field Service and Depot Repair Operations as well as the Device and Spare parts supply chain.

Andréa began her career in 1996 with Danone, then Sara Lee and Saupiquet in various Supply Chain roles leading large teams, introducing innovative methods for optimizing stock levels and delivering quality to customers on the retail market. Andréa spent 5 years at Carrefour negotiating logistic agreements with large suppliers, managing third party contractors and building a B2B platform for increased collaboration in the retail market.

Andréa holds a Masters in Economics and Supply Chain Management. She also has a two-year degree in Russian and speaks Czech, French and English with basics of German.
