

## **Terri Pascarelli Executive Bio**

Terri Pascarelli has held Life Science leadership positions for over twenty-five years. She joined AIT Bioscience, LLC as Chief Executive Officer and member of the company's Board of Directors in January 2015.

Terri's experience ranges across start-up and Fortune 500 firms. Prior to AIT Bioscience, Terri was Vice President, Client Development at YourEncore in Indianapolis. Previous leadership roles include serving as President and COO of a venture-backed pharmaceutical company and a privately-held medical laboratory company. She held leadership roles in strategy, sales/marketing management, managed markets, R&D and commercial operations at Boehringer Ingelheim Pharmaceuticals, Roche Pharmaceuticals and AstraZeneca.

Terri was recognized with the 2018 Strategic Transformation Achievement Recognition (STAR) award by the Healthcare Businesswomen's Association (HBA). This award honors an individual who stands apart as an exemplary role model and has demonstrated a long-term commitment to furthering the HBA's strategic goals.

She has served the global HBA organization for more than fifteen years. Terri is a Chair Emeritus of the global HBA organization. Her board experience includes founding the HBA Indiana Chapter. She currently serves the HBA as a Global Advisory Board member and as a member of the Indiana Chapter Executive Advisory Council. In addition, Terri chairs the Dean's advisory Board of Visitors for the Butler University College of Pharmacy and Health Sciences. She is a former board member of the American Heart Association and the United Way. Terri is an active leader who supports BioCrossroads and the Indiana Life Sciences Summit, including serving on the steering committee for the scientific track of the annual conference.

Terri's leadership has also helped put AIT Bioscience on *Inc.* Magazine's List of Fastest Growing Private Companies two times in the past three years, once ranking on the Inc. 500 list and once on the Inc. 5000 list.

Terri served as a faculty member at the Vanguard Forum in NYC for senior executives advancing into C-suite roles in life sciences firms. Terri is a member of the Strategic Planning Committee of the Women Business Leaders of the U.S. Healthcare Industry (WBL). She earned her BS, Pharmacy from Rutgers University and holds a MBA from Pace University, NY.
