

Lori Chmura

CEO, Dune Medical

Lori is a seasoned veteran in the healthcare space beginning her career as a CCRN working in critical care, trauma and emergency medicine at Yale New Haven Hospital, Emory University Hospital and St Joseph's of Atlanta. She transitioned into the medical device industry as a Clinical Specialist with Datascope, now Maquet, and with a track record of success took on increasing levels of leadership completing her 10 year tenure as the Vice President of North American Sales. She spent time as a regional Corporate Sales Director for Medtronic and then moved over to Covidien Endo Mechanical where she spent 4 years as the VP of Sales and Marketing. Most recently she served as the VP of the US for Cordis, a Johnson and Johnson company. Lori is known as a champion of change management and passionate about delivering growth. She has led numerous Women's leadership imperatives and is past President of the Atlanta Chapter board for the Healthcare Businesswomen's Association in addition to being on the board of directors for the Pine Crest Academy in Atlanta. Lori earned a BSN from Southern Connecticut State University.
