

## **Kara Roeder** **Divisional Vice President, Operations**

As DVP, Operations for Pharmavite, Kara has responsibility for our Manufacturing, Engineering, Technical Operations, and Operational Excellence organizations. Kara has extensive experience in supply chain operations; from manufacturing to distribution, along with overall business planning. She joined Pharmavite in the fall of 2018, after spending 22 years at Procter & Gamble in various leadership roles across 6 different locations. Kara received her Bachelor of Science in Chemical Engineering from the University of Notre Dame.

Kara has served on various non-profit and industry focused boards, such as the United Way of Ventura County and the Ventura County Economic Development Association.

Kara is married and has two children, a daughter (2004) and a son (2007).
