

Abel Sun
Senior Manager
Human Capital in Life Sciences & Healthcare
Deloitte Consulting

Abel is a leader in the Human Capital space, partnering with leaders on organization transformational efforts across strategy design, program planning, and execution. Through his work, Abel has a broad lens into the Human Capital landscape across multiple areas within Life Sciences & Healthcare, including BioPharma, Med Devices, Healthcare Technology, and Healthcare Provider & Plan. His experience encompasses Talent Management, Organization Design, Change Management, Communications, Learning Design and Delivery, Culture and Engagement, Leadership Alignment, and Program Management.

Within Deloitte, Abel leads several important talent programs for Human Capital. He leads University Recruiting for the Human Capital practice in the West Region, collaborating closely with campuses, recruiting, and practice leadership to attract and recruit talent. Abel also serves as the National Program Lead for the Human Capital Business Analyst Development Program, which is a national program aimed at growing and developing ~400 Business Analysts.

Outside of Deloitte, Abel is a committed alum of the University of Southern California, serving as a member of the Board of Directors for the Sol Price School of Public Policy. He also supports the university through the Professional Mentor Program, Student Internship Fund, and the LEAP Program. Abel is also a fundraiser and volunteer with the Special Olympics and the United Way.
